As he shoots every thrust of James' rigid rod into Caroline's steamy snatch, our lensman also includes enough of the room behind them within his frame.

CARNAL CAMERA

Our roving photographer has to take all kinds of assignments to pay his bills and have enough left over to maintain his life in the fast lane. That's why he accepted the job of snapping some "before and after" pictures of a remodeling job at his friend Caroline Cage's condo. "I need proof in case something goes wrong and I must go to court and sue this guy," Caroline told him over the phone in her sexy accent. But when our pix-snapper arrived at the porn star's condo, he discovered that the contractor, James, had already begun working. Not only that, but Caroline had forgotten about maintaining her professional distance. Dressed in tight denim cut-offs, she practically had her hand down the guy's pants. As a matter of fact, she actually *did* have her hand down his pants.

Here's one thing you can be sure of: When you're dealing with these crazy Hungarian porn sluts, nothing ends up the way it begins. Sure, Caroline wants to be a responsible owner of her new condo, but her rapacious sexual appetite has gotten the best of her. She couldn't take her eyes off the big bulge in the contractor's pants; then she couldn't take her hands off his cock; then she couldn't keep her lips from trying to engulf every massive inch of it. You see, one irresponsible thing leads to another, and the next thing you know, she's bent over and he's standing behind her with his cock sliding up her pussy.

Our roving photographer muses to himself that it's usually guys who let their dicks do the thinking for them, while hot chicks use sex in a cool, calculated way to get what they want. But clearly something's amiss with Caroline Cage. Now she's sitting on James's big cock and moaning and groaning and thrashing around like she's completely lost control of her senses. Doesn't she realize that James has lots of work to do, and as long as she keeps fucking him, nothing's going to get done? Fortunately, our conscientious photog is looking out for her. Every third or fourth shot he takes is of the room around them, just in case she'll need them someday in small claims court if James does a much poorer job on her condo than he's doing on her pussy right now. When you get right down to it, maybe that's why she hired a pro like our roaming camera slinger. No matter how nutty she gets with that stiff schlong banging her brains out, Caroline knows that at least one person in the room is looking out for her. Plus, she'll later have some great photos to go with her memories.

Our photographer later discovers that Caroline's really crazy—like a fox. She keeps him whistling while he works, and he remodels the whole place for free!

Cassidey

STATS: 34C-24-34

HOME STATE: Colorado

YEARS IN BIZ: 6

Cassidey recently returned to porn and stepped right back into her old fuck me pumps with Vivid. This all-natural nymphette has always been a fan favorite thanks to her amazing scenes for the porn giants. Beauties like her are rare in the jiz biz, but we can count our lucky stars that Cassidy is back and better than ever, and who knows, maybe she'll go back to taking man-meat this time around!

Lacie Heart

STATS: 34B-27-34

HOME STATE: California

YEARS IN BIZ: 2

After just four months in the business, Lacie was offered contracts by three different companies (and wanted by a few others) before she was quickly snapped up to become the newest Vivid Girl. A finalist in Jenna's reality show, this 19-year-old has all of the makings to become a major player in porn. Well, faster than you could say best new starlet, Lacie left Vivid and took a short hiatus from XXX. But as usual in pornland, Heart had second thoughts and she came back to the game as Digital Playground's newest contract star. Is *Prates 2* in her future? Stardom? We'll see, but we hope we'll see a lot!

— Ginger, Lela & Marcus —

CUTE LI'L SHIVERS!

If a woman really likes you, she's always trying to suck up by treating you to intimate, luxurious favors, like trimming your nails or giving you a facial. That way she provides a valuable service, shows how much she cares, and gives herself the opportunity to impress you up close and personal with her charms. And if you happen to be a virile, handsome young porn stud like Marcus London, there are many hot chicks anxious to please you. The competition is fierce. That's why Ginger Lee and Lela Star decided to work together as a team when they invited Marcus over for some "intimate attention."

To a guy like Marcus, the prospect of one pretty girl fussing over him is fairly ho-hum and humdrum. But two very nasty, very sexy and very beautiful girls—well, that's something not even an in-demand guy like him can resist. Especially when he knows how much both of these tight-bodied little sluts love to suck cock, get their juicy pussies well stuffed in every position imaginable, and visually entertain their lovers with some lezbo action on the side. It's a win-win-win situation all around. First Ginger and Lela tease him with banter and barbershop games. Then they take turns wrapping their lips around his cock and balls. Each girl (but especially Lela, who's got a crush on him) loves the sensation of Marcus plunging and pumping his big thick dick deep inside her. And Marcus, well, he's having a pretty good time too, come to think of it. Plus, he won't have to shave tonight.

Suddenly, what first began as a friendly seduction by two gal pals gets tense as Ginger Lee wonders why Lela is hogging Marcus all to herself. "Hey, don't I get to fuck him, too?" she asks. Lela answers, "You were fucking him a second ago, so it's my turn, okay?" Now Ginger's getting angry: "Yeah, but you've been fucking him since we started." Uh oh, things are turning ugly, and just when Marcus was beginning to enjoy himself. "Girls! Girls!" he intones soothingly, "we're all friends here, let's not fight. There's plenty for both of you." As he continues to fuck Lela's pussy and grip her firm ass globes, he whispers in her ear, "Lick her pussy and make her feel better." Lela willingly complies, and by the time both girls experience the joy of Marcus's hot cum splashing all over their faces, they're the best of friends again.

Brooke's XXX last name should be "Heaven." With around 100 or so movies in just a few years in the biz, this busty, blonde, beauty has quickly risen to the cream of the carnal crop. It's no wonder she's one of the top hardcore anal starlets in porn. Nothing is a no-no for Brooke when it comes to putting out her best performances, as this girl uses all of her inputs, and uses them well!

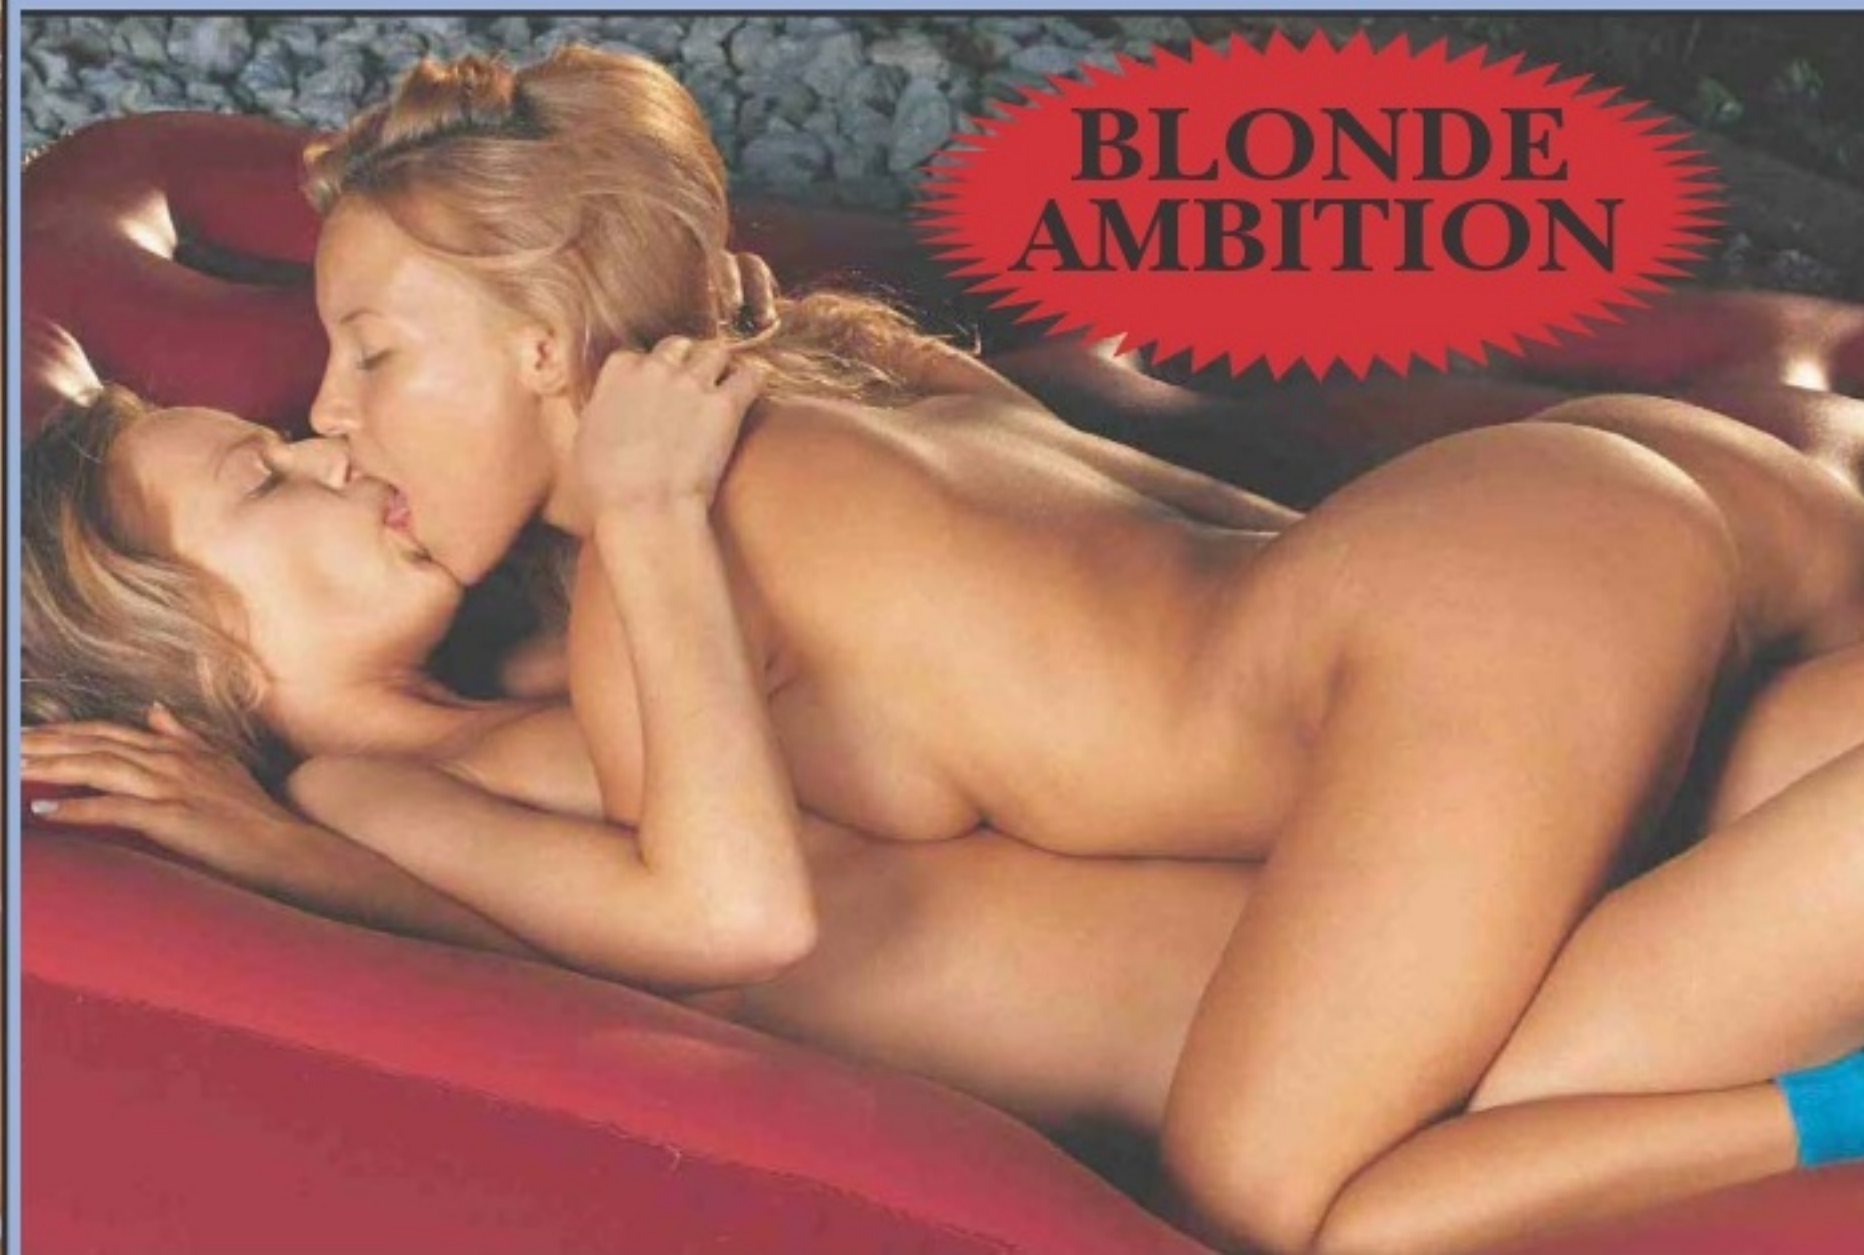

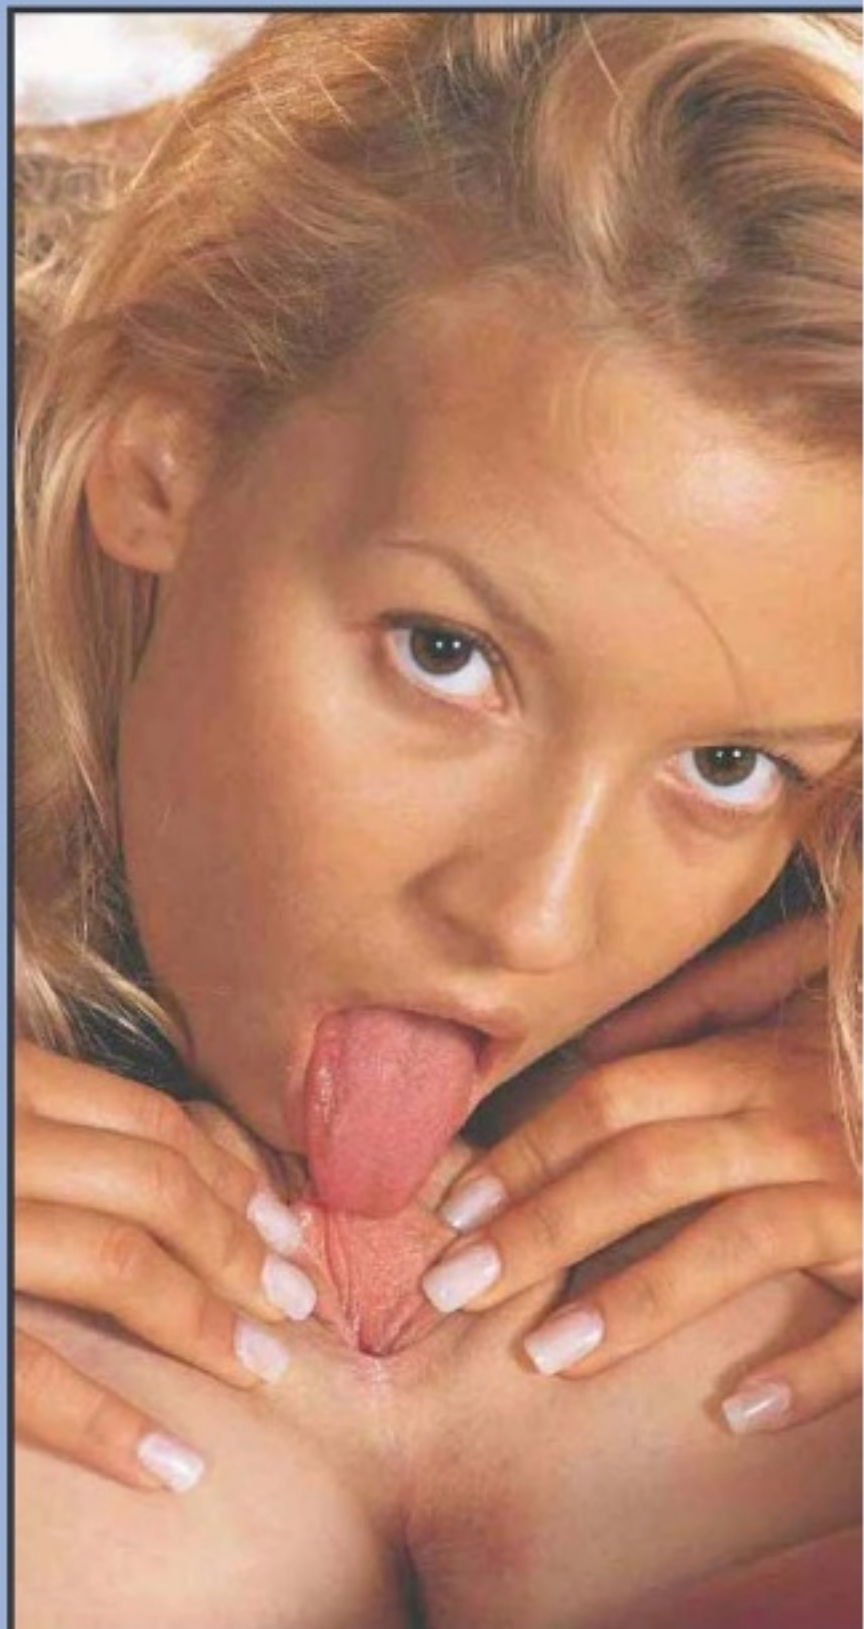

Marlina & Monika

Right now you must be thinking that you've died and gone to heaven, right? So you're welcome! We realize that two sexy, young, tight blondes licking each other all over have to be the number one male fantasy. The only thing that could make these pictures any better would be if your cock crept in the scene. Imagine that...you're sitting over in the corner, maybe on the other side of the pool. You're watching these two amazing babes kiss and touch each other. Both are moaning and fingering each other's slits. Then they notice you...and actually call you over. "Please baby, come over here. We need some cock. We want to drink your cum! Hurry up!" Then you walk over there all nonchalant like, unzipping your pants. Monika grabs your snake and stuffs it right down her throat, only stopping to share with her best friend Marlina. They tickle the head with their tongues and then you get to fuck them both doggy style. You then finish up after you've completely exhausted yourself by cumming all over their pretty faces. Marlina licks your load off of Monika's cheek. Then they kiss. Marvelous.

Splendor And Ease A Vegas Novella

Easter Sunday morning is still Saturday night. It just depends on where you spent — or didn't spend — last night or on what you did *ala carte* or all alone. It was 8 a.m. in the p.m. and Frankie, Johnny, Luigi, and Angelo sat in the center of the dismal day-glo sin city meat 'n' three like noon Easter eggs. Their keen gabardine made the rest of the joint look bleached out black and white.

This lonely boy charade sat like an unemployed gigolo parade at a red light. The mutual admiration was obvious. The repartee and rebop; rapid fire, razor sharp. The quartet dug each other as much as they dug themselves. There was no need to rehash or spell anything out. Each picked up on what the other was laying down, quick-like — despite each's innate ability to be contrary and abstract and obtuse just for the hell of it, and their myriad quirks, hang-ups, hang-downs, proclivities, predilections, and whatnot.

Golden throat Johnny Angel hung his applejack in New Orleans and made his living as an honest to badness lounge singer. He crooned, they swooned. The plan was to pack a grip and move the whole operation west to the land of blue hairs and high rollers.

Angelo was an entry-level tough guy from Brooklyn who at times thought the other three ought to be in the circus. Angelo always dressed slick and had a voice like a cement mixer. Even when this ominous operator poked, he was serious. Everybody laughed — sometimes a little too hard and even if they didn't always get it. Despite the exasperation brought on by his love life — apparently she liked to talk back but made tracks on mile-long get away sticks — Angelo waxed *Frigidaire*.

A bit part character actor (and full time hustler) living in Hollywood, Luigi was so intense that whenever he entered a scene on stage, screen, or real life, others were reduced to merely supporting roles. The man could sell Sno-cones to Eskimos.

Frankie frequently sat in awe of his own dumb luck when he wasn't taking girlie pictures, singing the blues or telling his version of the truth.

Meat choices varied, waffles all around.

Between mouthfuls of breakfast and amidst the din of the hot polloi, came earfuls of wisdom.

You see, sometimes you find yourself in the middle of a search, a quest — not realizing when it all began. Everyone illustively seeks the obvious; fortune, fame, pussy, to live forever or die trying. And we all wanna little taste before our ticket gets punched. But nobody's got a mantra, a credo — at least one that makes any sense. Live fast, die young? Bullshit. Do unto others etc, etc? Bullshit.

The hipster set clings to Kerouac, reefer, and rock 'n' roll, though they don't have all the answers. Folks listen to voices in the sky for a clue. Idiots run on hamster wheels to nowhere. Everybody needs an answer. Something that'll cover everything philosophically, thoroughly; an existential catsup.

So there they sat...in Las Vegas. It wasn't Greenwich Village. It wasn't Bethlehem or Mecca. It was Vegas; an illuminated concrete Congo. A pseudo Shangri-la built as a monument to human stupidity. It was here that their soul searching safari — the one they didn't know they were on — would come to an end with an epiphany.

Angelo unwittingly turned out to be the prophet.

"Luigi," he said, leaning forward to wipe his mouth. "You know all I want out of life?"

We all half-listened unaware of the impending atomic pontification.

"Splendor," he said. We all stopped chewing. The place went cemetery silent. Time stood still. Suddenly it all made sense.

"Splendor," he said again, "and ease."
